Ugo is one of the official Journals of Centre for Igbo Studies, University of Nigeria, Nsukka. The Journal is a multidisciplinary journal which publishes peer-reviewed articles especially in Languages, Culture, Literature, Linguistics, Education, Arts, Humanities and Social Sciences. This volume of Ugo contains articles mainly harvested from the first Hybrid International Conference of the Centre for Igbo Studies on the theme: Reimagining Igbo Studies in 21st Century Nigeria. The conference was held from Tuesday 15th August -20th August, 2023. The conference is aimed at encouraging the Igbo people in homeland and in Diaspora to reinvent Igbo studies, reassert their identity and value system. All manuscripts go through a rigorous peer-review process, which ensures timeline of publication, widespread dissemination, high visibility and high citations impact. We look forward to receiving quality manuscripts deriving from cutting-edge researches for publication in this journal. Our gratitude goes to all members of the editorial team, and all the various people who work at the back-end for keeping this journal afloat.
