FROM THE EDITORIAL DESK

From Editorial Desk

Olu Igbo is one of the two official biannual journals of Centre for Igbo Studies, University of Nigeria Nsukka. It is a multidisciplinary journal, which publishes peer-reviewed articles especially in languages, culture, literature, linguistics, education, arts, humanities and social sciences.

It publishes content-based articles in any area of Igbo life. All manuscripts go through a rigorous peer-review process, each with a timeline for publication, online dissemination and visibility.

We look forward to receiving quality manuscripts from cut-edge researches on Igbo for publication.

Our gratitude goes to all members of the editorial team and all the various people, who work at the back-end for keeping this journal afloat.
