From Editorial Desk

Olu Igbo Journal is the official online journal of Centre for Igbo Studies, University of Nigeria Nsukka. It is a multidisciplinary journal which publishes peer-reviewed articles especially in languages, culture, literature, linguistics, education, arts, humanities and social sciences.

This volume of Olu Igbo Journal was sourced from articles presented from 2023 Hybrid International Conference of the Centre for Igbo Studies on the theme: 'Reimagining Igbo Studies in 21st Century Nigeria'. The conference was held from Tuesday 15th August to Friday 19th August, 2023. The conference was aimed at encouraging the Igbo people both at home and in diaspora to realize their root, reclaiming their value and identity. In the kind gesture of Prof. Chris Agbedo, he established website and Email- Centre for Igbo Studies@unn.edu.ng for them to use in telling the world who the Igbo people are, about their life, what they believe in and their outstanding culture.

All manuscripts go through a rigorous peer - review process which ensures timelines of publication, widespread dissemination and high visibility. We look forward to receiving quality manuscripts driven from cutting - edge researches for publication in this journal.

Our gratitude goes to all members of the editorial team and all the various people who work at the back-end for keeping this journal afloat.

About Olu Igbo

Olu Igbo is a peer - reviewed research journal devoted for promotion of excellence in high-quality empirical researches and strong conceptual papers. It publishes scholarly articles in the broad areas of language, literature, culture, arts, humanities, education, and Igbo Studies in general. It is a platform meant to capture the centrality of the collective interest of Igbo people and at the same time serve as the global nexus to propagate laudable uniqueness and contributions of Igbo scholars and professionals of different disciplines within and in the diaspora. Olu Igbo journal is created to provide an intellectual meeting- point for scholars and researchers to interact and answer questions surrounding Igbo identity and destiny, in order to explore, reconcile with the reality and add value to our society.
